## JULY FUN FLY

The club had a Fun Fly on July 12<sup>th</sup>. There was about a dozen members show and we cooked hotdogs, had chips and drinks. A lot of good flying (and some not so good). A couple had quad copters. Overall it was a good day.

We are hoping to have another in August.

## CLUB MEETING IS WEDNESDAY NIGHT JULY 29 AT 7:30 AT THE FIELD

### MOWING

Field has been looking great. Gas has been the only expense so far. Thanks to members who have mowed this season.

Bob Ketner noted that with all the rain the grass is heavy for this time of year.

## FACEBOOK & WEB SITE

Members, please send pictures of your aircraft to Phil Van Winkle or Bob Ketner. We will post them on <http://lcrccohio.com/> and facebook Licking County Radio Control Club.

## NOTES FROM JUNE CLUB MEETING

Safety Note: There are still a number of 72 mh transmitters being used. If you are using one of these transmitters, make sure you have a Pin for you channel before you turn on your transmitter.

There was a short discussion on Clem's Rock. Nothing more needs to be said.

There was a discussion on finding a new mower and how to finance. Bill and Bob have been keeping their eyes open for a good deal.

A snake has been spotted in the shed. Please keep your eyes open when in the area.

## **FLYING WITH MORE THAN ONE PLANE IN THE AIR**

When you are flying with more than one plane in the air please use verbal signals to let the other pilots know what you are doing. Simple things like “ enter the field”, “taking off”, “landing”, “clear of the runway” to list a few. Please speak loud so everyone can hear you.

Please keep it safe for you, others and your plane.
