## NOTES FROM AUGUST MEETING

Treasure report was read and approved.

Carl got batteries for old trainer. Bob K repaired broken tail on old trainer. It should be ready to fly.

Bill talked about upgrading the motor on the new trainer.

September Fun fly date was discussed and set for Sunday September 27 at 1:00.

A concern has been raised about taking pictures at the field that may include pictures of the sewage treatment plant. Pictures of the sewage treatment plant, being a public utility, could come under the Homeland Security.

Dave Reber was introduced and voted on as a new member. Dave recently moved in from Muncie, Indiana. Dave has won free flight awards dating back into the late 1940's. Everyone please welcome Dave onboard.
