## NOTES FROM SEPTEMBER MEETING

Meeting Notes and Treasure report was read and approved.

Bill noted the field had a ground mole problem. Bob G. agreed to set poison traps in the field.

New batteries had been added to the fuel-powered trainer and radio. The plane has been flown and trimmed.

Bill has a Great Planes Ultimate Bi-plane that he is going to action or sell at the Swap Shop.

The Swap Shop would be a great place to get rid of all the old RC equipment that is setting around your house. Donate to the club and the club can sell at the swap shop.

Big thanks to Bob K. for arranging the church for the winter clubs meeting.
