The January meeting will be held on Wednesday January 30, 2016. This meeting will be preparing for the upcoming Swap Shop that is happening in February. We need to prepare the flyers for mailing which means we need to Fold, Staple and Stamp a whole bunch of flyers. We need all the help we can get so please plan on attending.

Please remember:

- This is the clubs main source of income. This, dues and a few donations get us through the year.
- Bring your stapler

## SWAP SHOP NOTES

(See attached flyer)

Please remember the December meeting is Fold, Staple and Stamp meeting. This needs to be done to support the Swap Shop.

Don't forget to the Swap Shop on February 6. Plan to attend. We need volunteers to run the show.

The Swap Shop would be a great place to get rid of all the old RC equipment that is setting around your house. Donate to the club and the club can sell at the swap shop.

## FAA REGISTRATION

Please do not get concerned about the FAA requirement to registrar RC airplanes. It is a one-time registration of only the pilot and is good for 3 years. It is free for the first 30 days. The AMA is working with the FAA to get all AMA members to be enrolled automatically. Don't enroll right now.

## **FOAM CUTTER**

The club has a foam cutter that it needs to get rid of. If anybody is interested please contact Bob Ketner. If nobody responds then it will be sold at the Swap Shop.
