HELP WANTED – SWAP SHOP

The Swap Shop is in 2 weeks, February 6. The club needs help on setup, operation and tear down. The following is the schedule for Friday setup and Saturday:

- Setup will be Friday February 5 at 7:00 PM. We are meeting at the VFW. See attached flyer for address.
- We start Saturday morning at 7:00 AM. We need help manning doors, admissions, table sales, auction entries, etc.
- We need help at noon for the auction.
- Tear down starts at 1:00 PM. We need help tearing down tables, taking tables back to the Lookup Center and overall cleanup.

This is the main source on income for the Licking County Radio Control Club. Please try to attend and help.

Additional information will be at the club meeting on Thursday. I will send an email after the meeting if there are any changes to the above schedule.

SUPPORT OUR LOCAL HOBBY SHOP

Please remember there is a local hobby shop that does a lot of support of our club. It is:

**DON'S HOBBIES
407 W. CHURCH ST
NEWARK, OHIO**

He can normally get anything you need. He had a complete trainer for \$260.

DECENBER MEETING NOTES

November meeting notes were read and approved.

Bob read the treasury notes. We are currently ahead of last year. If we have a good Swap Shop we should be in good shape for the rest of the year.

Dean Fox is donating his planes to the club for the auction. The profits will be split 50/50 between Dean and the club. Thanks, Dean.
