

# LCRC PORTA-NEWS

**The Official Newsletter of the LCRC**

EDITOR: PHIL VAN WINKLE

March 2016

## FLYING TIME IS HERE

The past few weeks have been warm and the winds calm and not bad for flying. I have been to the field a number of times and have seen Austin, Bob, Nicolas, Amish, Art and a few others. Come out and take advantage of the early spring.

Field is kind of rough and needs rolling. Bob Ketner has a tractor to pull the roller if some one has a truck and trailer to haul to the field. Please contact Bob if you can help. FYI, the roller is at the field, we just need the tractor moved.

Please remember to register with the FAA before you fly. See additional information in this newsletter.

Up coming but has not been scheduled is the field clean up day and the first club fun fly.

### SUPPORT OUR LOCAL HOBBY SHOP

Please remember there is a local hobby shop that does a lot of support of our club. It is:

**DON'S HOBBIES  
407 W. CHURCH ST  
NEWARK, OHIO**

Don has been a member of LCRC for a number of years and has been a supporter of the club and swap shop.

### FAA REGISTRATION

RC pilots need to register with the FAA **before they fly this spring**. Check the AMA website for updates. There is a \$5 fee for those who have not registered.

<http://www.modelaircraft.org/aboutama/gov.aspx>

### FORKS ANNUAL R/C MODEL SHOW

Forks, R/C club in the Lancaster area, is having their annual model show on March 26. See flyer attached with the email.

## RC PLANES AND STUFF FOR SALE

Dave Rechsteiner 5460 Loudon ST Johnstown 7408574622 is retiring from RC flying . He has numerous planes available. Building supplies too.

Dave has two flight stands for Club. We need someone with truck to pick-up flight stands and take to club field.

## NOTES FROM THE FEBRUARY CLUB MEETING

The meeting was held at the church and the following is a list of major items discussed:

- Meeting notes and treasurer report was read and approved.
- The club still has Dave's Dirty Bird and Eagle II. Anybody interested please contact one of the club officers
- Bob K is going to contact the city to see if they would be willing to give the club a reduction in property leases fees.
- Mowing was been discussed. Art, due to a work schedule change, is not going to be able to do as much mowing as he did last year. Paul Welsh volunteered to help out more this year. Bob G said he would mow on a regular basis the same as last year. We will have the mowing register sheet the same as last year.
- The Husqvarna is getting old. There was discussion of buying a new mower. No decision was made.
- Carl and bob discussed club charter.

## CLUB WEB SITE

The club has a new web site. The address is:

[lrcceohio.com](http://lrcceohio.com)

Checkout the Licking County Radio Control Club on Facebook.

The first person to respond and correctly name this airplane will win ..... Sorry you don't actually win anything but it would be interesting to see if some can figure out what it is.
