NEXT FUN FLY IS JULY 10

The second Fun Fly of the season is set for July 10 at 1:00. Club will furnish Hamburg, hotdogs chips and drinks. Come out and enjoy good food and good company. Come and poke some holes in the sky. Guess and spouses are welcome.

JUNE FUN FLY

The first Fun Fly of the season was held on June 10. The weather was sunny, warm and at times a little windy. There were a few pilots that braved the wind and put planes in the air. All come down in one piece and had a few interesting flights. Art had his first flight on an Escapade. Nicolas flew his Diamond Dust. Come to the next one and joint the fun. Check club web site for pictures of the Fun Fly

BIG THANKS TO THE MOWING CREW. THE FIELD AS ALWAYS IS IN GREAT SHAPE.

FREE GLIDER

Ken Strawn has donated a glider to any club member that would like to have it. It is balsa and covering, not foam. Any body interested please contact Bob K or Phil. First come first serve.

CLUB WEB SITE

The club has a new web site. The address is:

lrcchoio.com

Checkout the Licking County Radio Control Club on Facebook.

MOWING

Please check the mowing roster on the club web site. There are a few openings in July that needs to be filled.

Remember; don't fly if someone is mowing the flying field.
