COMMUNITY FUN FLY IS AUGUST 7

This seasons Community Fun Fly is set for August 7 at 1:00. Club will furnish Hamburg, hotdogs chips and drinks. Pass the word around to try to get people from outside the club to come and see what this hobby is all about. Enjoy good food and good company. Come and poke some holes in the sky. Guess and spouses are welcome.

JULY FUN FLY

The July fun fly was held on July 10. The weather was fantastic. Nicolas put on a show of high speed flying and Tom put on the show with slow flying. A lot of others chimed in with their style of flying. Check the club web site for event pictures.

We had 5 guests that showed interest in joining the club: Cowboy, Ralph Hannum, George Keck, Trent Keck and James Dodd. Some of you may remember James; he left the club about 5 years ago and is now returning. He had a few successful flights. Of the 5 it looks like we are going to pick up at least 2 members.

The next Fun Fly is coming up on August 7. Come out and bring a friend.

**BIG THANKS TO THE
MOWING CREW. THE FIELD

The Newark police will answer the alarm if you don't reset it. All the people who have mowed with the new mower have enjoyed its performance. It has cut mowing time down quite allot. Thanks to members who have donated Fun Fly Items.

Editors Note: I a not sure what haunted house and chickens has to do with our alarm system by I will find out by the next newsletter.
