SEPTEMBER FUN FLY

The September Fun Fly, the last of the season, is scheduled for Sunday, September 11. Starts a 1:00 with the club supplying food and drinks. Bring your planes and friends for a good afternoon of flying, food and good friends.

AUGUST FUN FLY

The August fun fly was held on August 7. The weather was fantastic. We had a few visitors with a couple getting some fly time in on the buddy box. Check the club web site for event pictures.

A lot of people got a lot of flight time in. Nicolas had an aileron problem and set his Ultra Sport in the corn. No Damage. Bob over shot the runway on a dead stick and did minor damage to the club trainer. All the rest went well.

The next Fun Fly is coming up on September 11. Come out and bring a friend.

**BIG THANKS TO THE
MOWING CREW. THE FIELD
AS ALWAYS IS IN GREAT
SHAPE.**

CLUB BUSINESS

BY BOB KETLAND

I am looking for super tiger 45 needle valve assembly for club trainer?

Does anyone have access to top soil to fill around club shelter? There is more than 8 inch step down on East Side and is starting to be a safety hazard.

Mowing has been going very well thanks to great volunteers.

Welcome to new member Michael Davies, nick name Cowboy.

Don says he has customers asking about our club. He should have application forms now. There will be some in the shelter metal lock box.

Please do not hesitate to contact me if you can help with any of the above items.

CLUB MEETING

The August club meeting is scheduled for this coming Thursday at the field. Starts at 7:30. The weather is predicted to be a little windy and warm. Come early and get some flying in.

This is the last meeting at the field this year. The October meeting will be at the church.
