MEETING THIS COMING THURSDAY AT THE CHURCH

These months meeting will be at the First United Methodist Church on Thursday September 29 at 7:30. The church address is 88 N 5th Street, Newark.

SEPTEMBER FUN FLY

The September Fun Fly was held on Sunday September 11. It was another beautiful day with light winds, temperatures in the low 80's and mostly sun.

We had a number of members from the community with a couple younger attendees taken up on the club trainer. Thanks to Bob G, Nick V and Bob K for taking the time to teach these potential new members.

Checkout our Facebook page and our web site for pictures of this month's event. Thanks to Tom P for taking pictures.

FIELD IMPROVMENTS

Over the pasted 3 weeks there has been 3 work sessions to install gutters on the shelter, fill the low spots around the foundation, plant grass and water the grass. When you are at the field please avoid walking on the new grass.

Thanks to all that has helped on these projects.

CLUB BUSINESS

The following is a list of major item of discussion at the August meeting:

- We had another case of 4-wheelers damaging the grass on our field.
- Security system has been installed on the mower shed. There were (2) donations totaling \$250 paying for the system.
- There was talk about asking the Wastewater Treatment Plant to keep an eye on the field.
- A decision was made to add gutters to the shelter house and filling in the low spots around the foundation. (see additional article)
- The club had an exhibit at the Newark / Heath Airport Pancake Breakfast. There was a lot of interest. The plans are to set it up again at next months Young Eagles program.
- The club has access to AMA CD's. We are hoping to set up a lending library with these CD's.

SAFETY CONCERN.

There was a near miss at the field a couple weeks ago. A member had 2 electric planes running from the same radio. Both planes were on and he went to fly one the other came to life behind him. The plane went flying across the pit area towards the people on the flight line. Luckily it was stopped before any damage.

Please verify you have one plane on at a time.

SUPPORT OUR LOCAL HOBBY SHOP

Please remember there is a local hobby shop that does a lot of support of our club. It is:

DON'S HOBBIES
407 W. CHURCH ST
NEWARK, OHIO

Don has been a member of LCRC for a number of years and has been a supporter of the club and swap shop.
