## JULY FUN FLY

The July Fun Fly is scheduled for July 9 and 1:00. Bring your favorite planes and be ready to do some serious flying.

The club will be furnishing the food that will include hotdogs, chips and drinks.

Open to friends and the community. See attached flyer.

## NEXT MEETING

The next meeting is this Wednesday, June 28 at the field. The meeting starts at 7:30

## SAFETY

From Safety Officer Bob G.

I am concerned about crashes/lost airplanes outside our flying boundaries. First of all, there should be no flying west of the pilots' boxes.

Also, be careful not to get too far north.

## MAY FUN FLY

It was too windy for most of us to fly, but we still had a great time. Austin flew one of his electrics and Art Ford flew his drone.

The food was great. The warm baked beans in the crock-pot were great! Thanks to Tim (Paul W's friend) for cooking.

## DON'S HOBBIES
