August 2017

SEPTEMBER FUN FLY

The September Fun Fly is scheduled for September 10 at 1:00. Bring your favorite planes and be ready to do some serious flying.

This is the last Fun Fly of the season. The weather is predicted to be great. Be sure to attend and bring your family and friends.

The club will be furnishing the food that will include hotdogs, chips and drinks.

NEW SIGN

The club would like to thank Bob K for getting and installing the new LCRC sign at the field entrance on Ecology Row. The old sign disappeared a few months ago. Take a look the next time at the field.

NEXT MEETING

The next meeting is this Wednesday, August 30 at the field. The meeting starts at 7:30. The weather is to be great for flying. Come early and poke some holes in the sky.

THANK YOU NOTE

Bob G

At the Aug Fun Fly, I had two kids on a buddy box hooked to my .46 trainer. The 8 1/2 year young man sent me a very nice thank you card with a very nice thank you note. I believe there also was someone on the club's trainer.

AUGUST FUN FLY

The July Fun Fly was held on August 13. It was a beautiful day; light winds, sun shine and mild temperatures. There was a number of guests. There was a number of people taken up on the club trainer and buddy box.

All the members took their chance of flying. Austin put on a good show with his P51 and Art did his usual great job with his big Escapade just to list a few. Bill even as a plane in the air. Check out the pictures on the web site.

The food was great as usual. The warm baked beans in the crock-pot were great! Tim, our guest cook, had returned after missing the last Fun Fly. We would like to tank Tim for doing the cooking.

ITEMS FOR SALE

John Kurtz, an RCer that has been out of the hobby for a number of years, is getting rid of a bunch of RC stuff including planes, engines, covering and miscellaneous part. Check out the sale tab on the LCRC web site for pictures. He would like to sell it all in one sale. His contact information is:

John Kurtz
740-345-9279
theklutz44@yahoo.com

MISSING FREQUENCY PINS

Bob G

We are missing pins for channels 11, 17, 34, 38, and 47. We also have 4 pins that are cracked or broken. I have limited supplies to make new ones; however, more supplies are not available. Please check if you ran off with a frequency pin.

CALENDAR OF EVENTS

AUGUST MEETING

WEDNESDAY AUGUST 30, 2017
AT THE FIELD

SEPTEMBER MEETING

WEDNESDAY SEPTEMBER 27, 2017
AT THE FIELD

FUN FLY

SUNDAY SEPTEMBER 10, 2017
AT THE FIELD
STARTS AT 1:00

All Meetings Start At 7:30 PM

CLUB WEB SITE

The club has a new web site. The address is:

lcrccohio.com

Checkout the Licking County Radio Control Club on Facebook.

SAFETY

Remember there are a number of members that fly 72 mH. If you are flying 72 you need to get the pin for your frequency from the board before you turn on your radio. You also need to put your AMA card in the slot when you take the pin. Please remember to put the pin back when you are done flying.
