July 2017

AUGUST FUN FLY

The August Fun Fly is scheduled for August 13 at 1:00. Bring your favorite planes and be ready to do some serious flying.

This is the community Fun Fly. There will be advertising on in local stores and in the papers to get the community out to see our club and flying. Other local clubs will be invited.

The club will be furnishing the food that will include hotdogs, chips and drinks.

NEXT MEETING

The next meeting is this Wednesday, July 26 at the field. The meeting starts at 7:30. The weather is to be great for flying. Come early and poke some holes in the sky.

SAFETY

Please remember there is no flying when someone is on the eastside of the flight line. This includes mowing, people looking for planes or the farmer in the field.

The FAA no longer requires the FAA number to be on your airplane but the AMA still requires your name and phone number or AMA number to be on or in your plane. The AMA insurance may not cover an accident if the planes do not have proper identification in or on it.

JULY FUN FLY

The July Fun Fly was held on July 9. It was not a great day but a number of us flew.

There were a number of guests to include Tom P brother Bob and their friend. Also had a couple guests from the FORKS club.

The food was great as usual. The warm baked beans in the crock-pot were great! Tim, our guest cook has family commitments so he could not make it. Others stepped in and did the cooking.

CLUB WEB SITE

The club has a new web site. The address is:

lrcchoio.com

Checkout the Licking County Radio Control Club on Facebook.
