## NOTE FROM THE TREASURER

Bob K.

2017 was a good year for the club. Many actives, field and building improvements. Great work groups and comradely. Great mowing crews.

## CORRECTION

Last month I said Bob K has been working on the Swap Shop sense last February. Although Bob K (Ketner) does a lot for the club, Bob G (Grashel) does the majority of the planning and organization for the Swap Shop. I am sorry for the error Mr Grashel

## FAA IS BACK

There is a rumor the court ruling against the FAA has been over turned. The members that have not registered with the FAA will probably needs to do so. This means we will need to start putting the FAA numbers back on the planes. I have not seen anything from the AMA but I know someone that is checking on it. More information to come.
