JANUARY 2018

SWAP SHOP AND AUCTION IS FEB 3 WE NEED YOUR HELP

Saturday February 3 is the club's Swap Shop and Auction. This is the club's one major fundraiser of the year. The club is in need of help setting up, running and tearing down. The work schedule is:

- Friday night Feb 2 is set up. Meet at the VFW hall at 7:00 PM
- The help for Saturday running needs to be there at 7:00 AM. Help is need at admissions table, auction table and other miscellaneous task.
- Tear down is will follow the noon auction.

Attached you will find a flier to pass to friends (or non-friends) or post on your favorite social media. I added a .jpg to make it easier to add to you social media.

JANUARY MEETING IS THURSDAY

The January meeting is this coming Thursday at the First United Methodist Church at 88 N Fifth Street in Newark. Meeting starts at 7:30.

NEW YEARS DAY

On January 1 I received the following message by email from Bob Grashel:

“Got a .46 size airplane in air just after 8 am. Had no trouble starting engine.

Didn't see anybody at field.”

Bob has flown at least once a month for 31 years.

FAA REGISTRATION

All ground controlled remote control airplanes must have a FAA number either on the outside or inside that can be accessed without the use of a tool. The number is assigned to the pilot not the airplane. If you registered under the previous law than your registration is good for 3 years from the date of registration. People that have not registered will need to register before they fly.

If there is an incident it is not the owner of the airplane but the “pilot in command” when the incident occurs.

Check the AMA website for additional information.
