President's Message

Happy New Year 2024!

This month's meeting will also be a banquet at the Buckeye Lake Winery. We'll have a nice social get-together on Thursday, January 25th at 6:00pm for dinner and drinks. Bring your significant other for a Winter outing. As of this writing we have about 16 people confirmed. Thanks to Jim Higginbotham for arranging it! Our normal monthly meeting will convene at 7:30pm, after dinner. If you plan on attending, please send Jim an RSVP ASAP.

The main topic for the January meeting will be the February swap meet that will take place on Saturday, February 3rd at the VFW on Forry Street in Newark. Bob Grashel has been hard at work canvassing for volunteers to work all aspects of the event.

Last Spring/Summer the club purchased one lot of model airplane hobby related items from an estate. All of these items were in storage until this week when Bob and I loaded them up. The club table(s) will be full, not only with these items, but with items that Austin McElroy has donated. Thank you Austin for supporting the club!

And finally we are expecting a special guest at the swap meet. The new District III AMA Vice President, Randy Adams. Welcome Randy, and a thank you to Mark Ratliff who retired from the post after 12 dedicated years.

Looking forward to seeing everyone at the banquet!

Licking County Radio Control Club Winter Banquet and January meeting

Do you miss seeing everybody at the field?

Do you enjoy a nice evening out with good people, food and drink?

Now that the cold and snow have arrived, are you itching to get out of the house and do something fun?

Then come join us IN-PERSON for a winter get together and our January meeting at Buckeye Lake Winery **this Thursday, January 25th**.

Bring your spouse, significant other, or guest. The banquet will start at 6:00pm and the club meeting with Zoom call will begin at 7:30pm. This is an informal event and dress is casual. The Buckeye Lake Winery is a beautiful venue located right on the lake. We have the Production Room reserved, which is where they age, blend, bottle, label and store their wines. We'll even be treated to a personal explanation of their wine making process.

Please RSVP to Jim Higginbotham at acehiggy@gmail.com. We will order off the menu and be responsible for our own bill.

The winery's address is as follows:
