President's Message

It's Springtime, with flying started and shows ending. The upcoming weekends have a few remaining events taking place.

First is our annual field clean up on Saturday, April 27th at 10AM. If you have not previously attended, we try to perform any and all maintenance required for the season. A few items needing attention are: Reset property and mowing lines, determine fence location, paint lawn roller, remove blinds from shelter house and service to the door on the shed.

I would like to thank Larry Mix and Bob Grashel for already getting the pre-emergence on the field to control crabgrass. And a thank you to Larry Mix for repairing the tongue on the lawn roller.

Another event is the Dayton ModelRama, "One Of The Country's Largest Model Swap Meet and Auction". It takes place on Friday April 26th and Saturday April 27th. There are usually around 350 tables at the event. You can checkout <https://daytonmodelrama.com/> for more details.

And finally there is the "Multi-Club Swap Meet Hosted by Wayne County RC Club and Old Town Valley Flyers RC Club" near Wooster on April 27th. Additional details at <https://waynecountyradiocontrolclub.com/>

Heard in the hangar

"Remember, you fly an airplane with your head,
not your hands and feet."

~ Bevo Howard

UPCOMING EVENTS

Our club was invited to participate in two upcoming events. The club officers discussed and accepted.

The first is the Youth Aviation Adventure educational outreach at the OSU Airport on May 11th. You can find more information on this event at: <https://osuairport.org/events/youth-aviation-adventure-educational-outreach-event>.

The second is a STEM Tent table at the Columbus Air Show on the flight line which is from June 14th-16th and setup on the 13th. You can find more information on this at: <https://columbusairshow.com/>.

With both events, we will need volunteers to help man the tables, answer questions, and handout club brochures. **Volunteers will receive free admittance to these events!** (And free parking at the Columbus Air Show.) We probably should form a committee to determine our talking points and what we want to display at our table. We will discuss this in more detail at the next club meeting.

**PLEASE JOIN US AT THE FIELD THIS SATURDAY, APRIL 27TH
AT 10:00AM FOR OUR FIELD CLEAN-UP DAY!**

Happy Birthday to the following club members who have birthdays in April!

Alan Bayliss
James Dodd
Paul Fincato
Scott Hedges
Don Heminger
Austin McElroy

Calendar of Events

- **Field Clean-up Day**, Saturday 4/27/24 10:00am

Required Reading

All LCRCC members are required to have an AMA membership. In addition, an FAA registration number, and a TRUST certificate are needed. You should have all of these documents with you when flying at the field.

AC 91-57C states:

2.2.7.2 The proof of test passage may be in any format (e.g., paper or electronic) so long as it is readily accessible, legible, and can be presented to the Administrator or law enforcement upon request.

2.2.8.2 The owner of a small UA weighing more than 0.55 pounds (250 grams) that will be flown exclusively in limited recreational operations may obtain a single registration number for multiple UA by registering under part 48.

FAA TRUST TEST: <https://trust.modelaircraft.org/>

FAA DRONE RENEWAL: <https://faadronezone.faa.gov/>

All members should also read the AMA Member Safety Program Handbook:
<https://www.modelaircraft.org/sites/default/files/documents/100.pdf>
