Vice President's Message

Another annual Swap Shop is in the books! The weather was perfect, and we had a record number of both vendors and guests. Many thanks to Bob Grashel and the many club members who helped make this Swap Shop one of the best.

In case you didn't find everything you needed at our Swap Shop, there are still several local Swap Shops coming up in the next few months:

- March 8th Ravana Thunderbirds Swap Shop
- April 4th and 5th Toledo R/C Swap Meet and Expo
- April 12th Lancaster Hobby Expo and Swap Meet
- April 25th and 26th Dayton Modelrama

The new metal flight stands have been on hold over the winter, but we plan to work on those again as the weather warms up. Also, we plan to add concrete pads for the flight stations that were installed in the Fall. Please contact any of the club officers if you would like to assist with these projects.

Heard in the Hanger

A pilot who doesn't have any fear probably isn't flying his plane to its maximum.

~Jon McBride, astronaut

Happy birthday to the following club members who have birthdays in February!

Bev Higginbotham
 Larry Mix
 Terry Treneff
 David Williams

Required Reading

All LCRCC members are required to have an AMA membership. In addition, an FAA registration number, and a TRUST certificate are needed. You should have all of these documents with you when flying at the field.

AC 91-57C states:

2.2.7.2 The proof of test passage may be in any format (e.g., paper or electronic) so long as it is readily accessible, legible, and can be presented to the Administrator or law enforcement upon request.

2.2.8.2 The owner of a small UA weighing more than 0.55 pounds (250 grams) that will be flown exclusively in limited recreational operations may obtain a single registration number for multiple UA by registering under part 48.

FAA TRUST TEST: <https://trust.modelaircraft.org/>
 FAA DRONE RENEWAL: <https://faadronezone.faa.gov/>

All members should also read the AMA Member Safety Program Handbook:
